Shelf life of this product depends very much on storage conditions, particularly temperature and exposure to light and air.

Expiry date must be considered as subjective; the expiry date given here is based on the best of our knowledge and experience of the material when stored under recommended conditions in original unopened containers.

Due to the natural ingredients contained in many of our products, there may be a slight batch-to-batch variation in the colour, odour or consistency. However, we ensure that this does not affect the quality and efficacy of the products in any way.

This batch has been tested by an external testing laboratory, which is accredited in accordance with the recognised International Standard ISO/IEC 17025:2005. The reproduction in total or in part of this document is not allowed without the authorisation of Jenson E-Cig Ltd. The results are limited to the sample analysed and are not applicable to the entire batch. Soft Gel 10% includes 1000mg per 10ml
